

The One-Colour Challenge

INNOVATION & CREATIVITY · GRADE 7 · VISUAL ART

Name: _____

Date: _____

WE ARE LEARNING TO

- We are learning to create visual contrast and depth using a single colour.
- We are learning to innovate within a constraint — finding new possibilities when options are limited (Innovation & Creativity).

SUCCESS CRITERIA

- ☐ I can mix at least five distinct values of one colour.
- ☐ I can plan a composition that uses range, not variety.
- ☐ I can explain how a value choice creates feeling.

MAP YOUR THINKING

What's one new idea you explored today? Explain your thinking.
